## The Bounty Hunter

This so-so action comedy about a bounty hunter (Gerard Butler) who must track down his bail-jumping ex-wife (Jennifer Aniston) generated more off-screen headlines than it did box office, but it makes for decent at-home viewing.

## Hot Tub Time Machine

Back to the Future meets The Hangover in this raunchy comedy about four dudes (John Cusack, Craig Robinson, Rob Combedy and Clark Duke) who make a splash when they go back to 1986 via a magic hot tub.

## Rizzoli & Isles

Angie Harmon (Law & Order) and Sasha Alexander (NCIS) play police detective Jane Rizzoli and medical examiner Maura Isles and make a sassy crime-solving team in this show based on the best-selling book series. (The Sopranos' Lorraine Bracco plays Angie's mom)

## DC Cupcakes

Warning: You will crave cupcakes upon viewing this reality show about two sisters who quit their jobs to pursue their dream of running their own cupcake shop. Stress and sweetness are equal ingredients in a recipe that mixes family comedy, workplace drama and, of course, dessert porn! Friday, July 16, TLC, 10 p.m. ET ★★★★★
